

TRANSFORMER

200W SMART LANDSCAPE TRANSFORMER

0200GY

Developed specifically for low-voltage LED lighting systems, the Hinkley 200W Smart Landscape Transformer combines the power of a transformer with the convenience of smart-home connectivity to provide complete control over your home's exterior lighting via the Hinkley Home Automation App. Protected by a robust composite resin housing designed for maximum resiliency, the Smart Transformer's ceramic toroid core is engineered for energy efficiency and noise reduction...
