

A tall, black, rectangular lantern-style outdoor light fixture. It features a curved metal handle at the top and a textured glass enclosure that houses a warm-toned light bulb. The fixture is mounted on a black pole.

Classic and elegant, Atwater offers beauty and endurance. Constructed from a composite material and treated with an anti-fading agent, the updated coastal design incorporates elegant brass accents, handle, and an inner glass that creates a faux candle effect. The high-performance finish is resistant to rust and corrosion with a 5-year warranty.
