BAYLOR

52293BX

LARGE LED VANITY

For a fixture that is an industrial piece of art, look to Baylor. The sturdy back plate and decorative rings add a nice balance to the etched opal glass to finish off the strong, substantial look. Ideal for providing plenty of functional light, Baylor mounts cleanly to the wall vertically or horizontally to bring style to primary bath, powder rooms, and more. Baylor is part of the Lisa McDennon Collection.
